Dear Mr. Lecky:

On behalf of the Boys & Girls Club of Harlem, I would like to thank you and the alumni members of the Howard University School of Law Club of New York for the generous donation of Christmas gifts for the children of our club. Your commitment to helping the youth in our community is greatly appreciated.

With your support, the Boys & Girls Club of Harlem will continue to advance its mission to provide a positive, supportive place where children and youth can experience new opportunities, overcome barriers, and build relationships with caring adults and their peers to guide them toward becoming productive, caring, responsible members of society. Through our academic and recreational programs, we offer the youth of Harlem a safe place to learn, grow and build positive relationships with peers and caring adults.

For purposes of filing tax returns for the calendar year 2009, it is herein acknowledged and confirmed that your gifts were given freely without conditions, and that you or anyone else in your organization received in exchange neither goods nor services as a result of this contribution.

Please feel free to call me if you would like to visit any of our programs to see the work your contribution makes possible. Thank you again for your generous support of our endeavors.

Sincerely,

Edith Massiah
Director of Program Development
